Re: Patent No. 5,891,260, Application No. 795,038

Dear Mr. Bernstein:

This letter is in response to your Decision on Request for Refund received April 5, 2011, attached hereto as Exhibit "A".

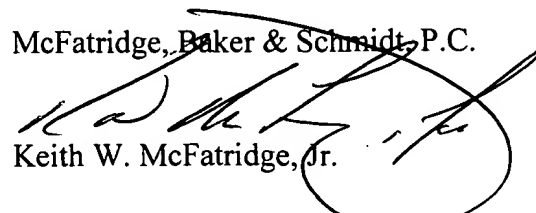

On November 6, 2003, a Petition to Accept Unintentionally Delayed Payment of Maintenance Fee in an Expired Patent was filed which indicated the Patentee's claim as small entity status (see attached). The Petition was granted on November 26, 2003. No further action was taken by our client, the Patentee. However, for some unknown reason, after this filing, the Patentee's status was shown as a large entity instead of a small entity which not discovered until January, 2011. Also attached as Exhibit "B" are the maintenance fee statements indicating amounts paid on June 22, 2006 and September 8, 2010.

Again, the Patentee has taken no action to change its status from a small entity to a large entity since the granting of a small entity status on November 26, 2003. Therefore, please correct the Patentee's status as a large entity to a **small entity** and refund the difference in maintenance fee paid on September 8, 2010, in the amount of \$4,110.00.

I look forward to your favorable response. If you have any questions regarding the above, please do not hesitate to contact me at (409) 766-7966.

Very truly yours,

McFatridge, Baker & Schmidt, P.C.

Keith W. McFatridge, Jr.
